## TAARUP 4062 AND CLAAS 8550 MOWER

- 20 ft and 27 ft working width
- Adjustable intensive conditioner
- Merger belts
- Windrows every 10 ft, 20 ft, 30 ft or 40 ft
- Adj. windrows width from 4 to 14 ft wide
- Fendt 900 CVT w. autosteer

Single 10 ft windrows

Twin windrows on  
20 ft, 14 ft wide

Twin Windrows on  
40 ft, 14 ft wide

## CLAAS XERION 3800 VC

- Reversible cab for 2 way travelling
- All wheel and crab steering
- Large 800 mm equal size ultraflex tires
- On board tire inflation system
- CVT transmission with 50 km in both directions
- Flexible ballasting up to 27 t
- Packing silage with rear end loader

### Packing at its Best!

- Front: rear weight split of 40:60
- Crab steer for large contact area
- All wheel steering
- Maximum weight of 27 mt
- Full packing against rear wall
- Excellent visibility

## **BUNKER PACKING**

- JD 8320 R and Challenger 665D with loader
- Claas Xerion 3800 VC with loader and blade
- Total weight 22 to 27 t
- Experienced and trained operators
- Silage density monitoring during and after filling

## **Kuhn MaxxMerge Features**

- *Pick up style reduces exposure to stones*
- *Merge into 20, 30, 40, 50, 60 and 70ft windrows*
- *Minimal leaf losses*
- *3 sections to float and adapt to ground contours*

## **KUHN MAXXMERGE 900**

- Reduce drying time by 30 to 50 %  
- reduce exposure to weather risk and rain
- Thin layer of material allows a more consistent dry down process which results in a higher feed quality
- The merging timing determines the dry matter content for ideal silage quality
- Increase harvesting capacity  
– less time spent to fill the bunker silo
- Approach to make “Silage-in-a-day”

# CLAAS JAGUAR 930 AND 960 HARVESTER

- Infinite cutting length adjustment
- High floatation tires with on board inflation system
- On board inoculant applicators
- Yield and moisture measuring & GPS mapping
- 40 km road speed
- 12 ft and 14 ft Pickup heads
- 6 row & 10 row independent cornsilge heads with Autocontour and Autopilot
- 8 row cob meal heads
- Direct cut cereal header

# HARVESTING COB MEAL & HIGH MOISTURE CORN
